## The Rise of Ethereal Entities in the World of Humans

### Delusion or Deluded, you make the decision

There are ultra-dimensional, intra-dimensional, and other beings that surround us. As the whole of the earth is in the days of lawlessness, commonly referred to as the Last Days, we see these days from scripture when it says "As in the Days of Noe, so shall it be in the coming of the Son of Man." We are there and so are these Entities. The delusion and the fight for Truth have begun!

By Dana G Smith

How do we begin when we talk about delusion? What does this word mean? Word web defines delusion as: (Psychology) an erroneous belief that is held in the face of evidence to the contrary, the nearest synonym would be hallucination or illusion. It can be the act of deception by creating illusory ideas. If we talk about the end times, prophecy, and warnings given to mankind from the bible, we find that two specific ones stand out. They stand out because they are given to societies of men who ignore God, ignore his commandments, and walk their own rebellious ways. They ignore truth, they go their own ways.

Further the Apostle Paul tells us that there will be a time when society will reject the love of the truth and the Lord will send a delusion. This Love of the Truth is the gospel in all its fullest meaning. It is about the Love of God who so loved the world that he gave his only begotten son so that whosoever believeth in him would not perish. We are in that time of lawlessness and rejection of the truth.

These scriptures are:

### Isa 66:4

(4) I also will choose their delusions, and will bring their fears upon them; because when I called, none did answer; when I spake, they did not hear: but they did evil before mine eyes, and chose *that* in which I delighted not.

### 2Th 2:7-12

(7) For the mystery of iniquity doth already work: only he who now letteth *will let*, until he be taken out of the way.

(8) And then shall that Wicked be revealed, whom the Lord shall consume with the spirit of his mouth, and shall destroy with the brightness of his coming:

(9) *Even him*, whose coming is after the working of Satan with all power and signs and lying wonders,

(10) And with all deceivableness of unrighteousness in them that perish; because they received not the love of the truth, that they might be saved.

(11) And for this cause God shall send them strong delusion, that they should believe a lie:

(12) That they all might be damned who believed not the truth, but had pleasure in unrighteousness.

Furthermore, this will be allowed to happen because society chose not the truth by their rejection of the truth, which is found throughout the bible, but related especially in John 3:16 and its context. Now what delusion are we talking about? Delusions can take many forms. In this article we speak of extra-terrestrials and intra-terrestrials; beings outside our sphere of earth, from other dimensions, and those beings in the earth.

This article will speak directly of one experience by David Solomen. I first came across his testimony back in 2006-08 or there about. I had seen it on a page of His which came up in my research on a topic I was writing about. Today, I update this story as I published it back in 2008. I had over the course of time been interviewing people on UFO's and related terrestrial sightings. In the course of these investigations I had also interviewed L.A. Marzulli over several years on the topics of Nephilim and UFO's.

### **Magnus and the Gospel**

David gave a first-hand account to whit here is an excerpt:

***January 9, 2006, in the evening, in a forest area north of Nacogdoches, Texas, I was confronted by an entity that I didn't even know existed on this planet. He said, "May I connect with you?" I cried out in terror, "Jesus save me; save me from hell! What do I do, what do I do?" The Lord said, "Say yes." Quaking with fear, I said, "Yes." It does not matter whether anyone believes this or not. My Lord Jesus Christ knows, and He is the only one who matters. David Solomon, [Independence Day Katachthonios](#)***

Further information on David's whereabouts today is limited in regular searches. I have included in this article information from an original testimony other than this one above. It is no longer available, but the information I gleaned from that testimony is below.

Another writer of UFO Experiences wrote back in May of 2006 on the experiences of David Solomen.

*David Salomen, 60's, was riding his dirt bike in a secluded forest north of the location and had stopped to rest when suddenly he saw a figure standing about 12 feet away from him. The figure was short, willowy, and whitish in color, with large dark eyes.*

*The figure said, "May I connect with you?" Terrified the witness prayed in agony. But he could still hear the voice in the area of his frontal lobe, that said, "Say yes." And he said "yes." He could plainly hear a voice behind his left ear, in the region of the brain that handles speech and verbal logic. Blogspot, Aileen Garoutte, previously Director of The UFO Contact Center International, [Testimony of David Solomen and Magnus](#)*

But here let me interject this, while the world at large may be readily acceptable to UFO, Aliens, Nephilim, and other ultra-dimensional and intra-dimensional beings; I do not give them one shred of quarter. I take the warning from the Apostle Paul in Galatians as proof that we need to be warned from those beings who would pervert or destroy the credible truth of the Bible and of the Son of God Jesus Christ.

## **Alien Gospel**

The Alien gospel as I have spoken about is real and there are those who would appear to men and will appear to nations in the future with a truth that many will follow. But for you and I today, let us stay with the truth in scripture as we know it and hold to it not swaying from that truth God gave to us through His only begotten Son.

**Though an Angel from heaven preach any other gospel unto you than that which we have preached let him be accursed!**

## **Gal 1:8-9**

(8) **But though we, or an angel from heaven,** preach any other gospel unto you than that which we have preached unto you, let him be accursed.

(9) As we said before, so say I now again, If any *man* preach any other gospel unto you than that ye have received, let him be accursed.

I have covered much on these beings from other worlds. There are many, but for this article, we will be discussing alien entities, some of their beliefs, and the occurrence of appearances. Many today when they hear of such things, believe these to be mere hallucinations or illusions, yet to those who have had them, they are very real. As real as being able to reach out and touch someone. Such today is the ignorance of many people on this front, who disbelieve, simply because they cannot bring it into line with Judeo Christian beliefs, or for that matter any number of religious ideas.

There has been much written about such an event. Many UFO websites, new age sites, and other related website new age and mystical sites have talked about it.

### **Testimony of David Solomen**

Now let me tell you about a man, who lives in a southern state. He is a bible translator, who loves Jesus, follows Calvinism, is a Preterist, and believes in the Trinity. He has studied the Nephilim, Bigfoot, UFO's, Grays, the Loch Ness monster, dinosaurs, and pyramids. He has read the bible, Koran, and parts of the book of Mormon. He is certified to teach in many subjects. His name is David Solomen and he has had an ongoing discussion with an alien entity named Magnus for some time. Warning do not try this!

Now although this man, whether he is alive today or dead; I do not know, I do know that his testimony is not one that I would replace the bible with or any parts thereof. We look at this because the work of darkness and of delusion is ongoing in today's world. David saw, spoke, and was a willing participant having believed the Lord told me to talk with this alien and connect with him. I absolutely do not adhere to melting of minds, allowing spirits to enter, or giving heed to strange beings who want to connect to me. If it is not of Jesus Christ, I rebuke such things and beings in Jesus name. I will not mind meld with them, as in the Vulcan mind melt by Spock on Star Trek; nor do I want to be friends with them. No I do not believe such beings are saved or can be saved. Yes, many are demonic. But also there are many entities in the realm of the supernatural, in the earth, and outside the earth that we can neither explain nor rationalize.

### **Connecting Telepathic**

The event that started it all began in 2006 on a January day in his state of Texas. At the time, he was 60 years old and was riding his dirt bike at night in a forest when he stopped for a rest. The place was secluded and located north of where he lived. After he had come to a stop, he saw a figure about 12 feet away from him, approximately 4 foot tall. The entity was willowy white in color with large eyes. Probably much like the greys many have seen or drawn. As with most cases that I have researched on this, it was not unusual for the entity to not speak verbally, but subconsciously. There was a clear voice which said to him "May I connect with you?" Needless to say, David was terrified, as we all might have been, but he cried "dear Jesus" and then heard a voice say "Say yes", so he said "yes."

That was the beginning of a relationship in which David learned of the pyramids & sphinx of Egypt, the Nephilim, and of 50 terrestrial races more devout than monks, and of a flying miniature planet. Along with this, he heard of chimera experiments, of Mothman, Bigfoot, Champ, Nessy, and also the theology of those he was speaking with. He heard of Jesus Christ, God, the creator, Abraham, watching the whole event of God with the Hebrews depicted in the

Old Testament, and he came to know of why they wanted him to listen. They had a message, he was to listen and warn others.

There is no doubt that God has given man free choice. He is free to follow what he wants, yet as he does so, there are laws that man will be either justified by or condemned. For purposes of article length, we won't go into redemptive prophecies here, but suffice it to say, Jesus Christ; Yeshua HaMassiah came to die on the cross for your sins and mine. In doing so, he removed the curse, so that those who would believe in him, through faith would be saved. Those who do not accept this truth will be condemned. When people or society does not believe in the gospel we call that refusing the love of the truth. We know already God will send a delusion so strong that people will believe a lie, because they have rejected this truth of God's love and desire for man to be saved through the Calvary and the Cross of Christ.

You might be surprised to learn that in the conversations that followed, he learned that this alien knew all about Jesus Christ, God the Father, and the redemptive process. They had been following it all along.

### **Radiance and the Human Biological entities**

According to David, the entity was named Magnus. He had said "I am Magnus you are ABO". In the following conversations, David learned that since Jesus and two ethereal appeared to Abraham, according to Magnus that "we have applied our technology to measure RADIANCE, which all biologics emit. Again, a storage device like a MAINFRAME records degree of RADIANCE for each biologic species we study." This is where you have to make a decision. Was he talking to a demon posing as a benevolent entity that cared for mankind? What was this entities true objective here? David was hallucinating all this is a plausible answer! But in all truth, I believe that David saw and really heard this entity.

In addition, to openly admit this stuff in public would definitely make the officials come to get you; like we used to say "the boys in the white coats will come and take you away." But then, maybe, just maybe, he was relating just what he saw and experienced. It really doesn't matter. What matters is, how does this event affect you? The enemy of our soul is allowed, according to the bible, to bring in delusions, sent by the Lord God, because man has refused his love through Jesus Christ his son. Now David is a believer in the Lord Jesus Christ, that is, again according to his own words. We can't read his heart. All we can do is believe him or Disbelieve. What was interesting in the story was the fact that Magnus talked about radiance. The radiance of God which would flow through the Elect of God, according to this entity:

### **Magnus Orders and the Gospel**

All MAGNUS ORDERS can quickly scan a potential abductee to determine whether his degree of RADIANCE falls within the range of HOLINESS, the category of ABRAHAM, ISAAC, JACOB,

MOSES, JOSHUA, DAVID, SOLOMON, ELIJAH, ELISHA, ISAIAH, MICAH, DANIEL, ALL THE APOSTLES, THE HOLY DEACONS, and millions of others we call the ELECT OF GOD. We will not ABDUCT any individual whose RADIANCE calculation falls within the range of the ELECT OF GOD. This entity called Magnus talks about degrees of radiance, that is, the power of God in us, the light of God flowing through us, which can be seen by those of Magnus and other groups; some 50 different classes in all. Magnus told him that all 50 orders of Magnus began to record all predictions made by Hebrews, according to him, around 740 BC was a pivotal time. The three prophecies which captivated them concerned:

1. A virgin conceiving a son who is called Immanuel [God with us]
2. That this child would be given the government which shall not end
3. This one child would come out of Bethlehem.

### Isa 7:14

(14) Therefore the Lord himself shall give you a sign; Behold, a virgin shall conceive, and bear a son, and shall call his name Immanuel.

### Isa 9:6-7

(6) For unto us a child is born, unto us a son is given: and the government shall be upon his shoulder: and his name shall be called Wonderful, Counsellor, The mighty God, The everlasting Father, The Prince of Peace.

(7) Of the increase of *his* government and peace *there shall be* no end, upon the throne of David, and upon his kingdom, to order it, and to establish it with judgment and with justice from henceforth even for ever. The zeal of the LORD of hosts will perform this.

### Mic 5:2

(2) But thou, Bethlehem Ephratah, *though* thou be little among the thousands of Judah, *yet* out of thee shall he come forth unto me *that is* to be ruler in Israel; whose goings forth *have been* from of old, from everlasting.

From others testimony of abduction and the approach or attempts by aliens to abduct them, the name of Jesus Christ had power. On more than one such testimony, the name of Jesus Christ spoken in authority will direct the entity away. The one problem is, the entity knows if you really know Jesus or not. He can also see your radiance, according to Magnus.

There is much more to the discussion, but suffice it to say, the theology of this being was related to David. He was far from the angry, mean, and spiteful being that one may expect of an Alien. This one was benign and friendly. He spoke of Jesus Christ, of the Father, and of the fulfillment of Salvation. He spoke of prophecy and watching it all occur. They knew the creator

God; they spoke of being created themselves. Magnus told David that they were placed here on earth by the GOD JESUS. They called themselves Christians after the human Christians who believed in JESUS. Magnus said they study the bible far more than any ABO [human] does. Magnus also said there was only one inerrant book, it was called the BIBLE. This entity further said, "No prediction pertaining to the death, burial, and resurrection of MESSIAH JESUS was left unfulfilled. He went on to say among other things that JESUS created the Magnus in 298,000 BC. Each of the orders of Magnus was created one at a time by JESUS.

### **Ethereal, UFO's, and Beings**

In all the writings on this, one thing is clear; there are multiple sightings and experiences. Magnus relates to David that there are evil entities that are jealous, not of Magnus but want to do harm. He also relates that there is a time when a day will come, in which, these beings, whatever they may be, will come to a full revelation in society. They will intervene in human affairs, ABO affairs, because their own survival is at stake. It is called Independence Day, according to David, and it may remind you of a name which reveals an alien invasion on earth. Those in the movie version called Independence Day were depicted as evil, but according to these entities, they are not. They are simply protecting themselves and will not commit murder of humans.

Now as we ponder all this let me say there are many today who believe in such an invasion. There are a few who believe that the true believers will know what is going on. That one day, indeed, according to some experts on the matter, all believe such a revealing will go on. A time when you will wake up and look out your window to see a sky full of spaceships and many will see the same thing and wonder what is going on.

I know that God the creator, Father of us all, who sent his son Jesus Christ is in charge. That no matter whom or what these things are, the message of God's love will not change. The delusion mentioned by the Apostle Paul in Thessalonians will take place and is doing so as we speak. I know of many, some of whom I have interviewed on my Radio show that believes these beings are divine. I also know of others who issue the warning that these are evil beings, materializing to bring deceit.

As for this group of entities named Magnus, the bible reveals to us what is truth.

### **Though an Angel from Heaven preach**

**Though an Angel from heaven preach any other gospel unto you than that which we have preached let him be accursed!**

### **Gal 1:1-9**

(1) Paul, an apostle, (not of men, neither by man, but by Jesus Christ, and God the Father, who raised him from the dead;)

- (2) And all the brethren which are with me, unto the churches of Galatia:
- (3) Grace *be* to you and peace from God the Father, and *from* our Lord Jesus Christ,
- (4) Who gave himself for our sins, that he might deliver us from this present evil world, according to the will of God and our Father:
- (5) To whom *be* glory for ever and ever. Amen.
- (6) I marvel that ye are so soon removed from him that called you into the grace of Christ unto another gospel:
- (7) Which is not another; but there be some that trouble you, and would pervert the gospel of Christ.
- (8) But though we, or an angel from heaven, preach any other gospel unto you than that which we have preached unto you, let him be accursed.
- (9) As we said before, so say I now again, If any *man* preach any other gospel unto you than that ye have received, let him be accursed.

One thing is sure, that is prophecy. Prophecy speaks of a coming Messiah again, this time not to die on the cross, but to overthrow all the wicked and to establish his kingdom on the Earth. All principalities, powers, kings, men, women, and all entities whether they be on earth, in the earth, under the earth, in middle earth, or in heaven, or beyond the heavens, all will answer to him.

### **Conclusion: Highly Exalted Christ Jesus**

This is the final word on the matter, whether they be biological, carbon based, human, alien, Magnus, or men. All will bow to the name of Jesus Christ, Yeshua HaMassiah, to the glory of the Father. Don't walk in fear, but faith, and know for certain in whom it is that you believe. If these beings do come to you, just tell them to leave in Jesus Name, they will have to obey.

**God has highly exalted Christ Jesus, every knee should bow and everything should confess that Jesus Christ is Lord. This includes those in the earth, beneath the earth, and above the earth, and anywhere else!**

### **Php 2:5-11**

- (5) Let this mind be in you, which was also in Christ Jesus:
- (6) Who, being in the form of God, thought it not robbery to be equal with God:
- (7) But made himself of no reputation, and took upon him the form of a servant, and was made in the likeness of men:
- (8) And being found in fashion as a man, he humbled himself, and became obedient unto death, even the death of the cross.
- (9) Wherefore God also hath highly exalted him, and given him a name which is above every

name:

(10) That at the name of Jesus every knee should bow, of *things* in heaven, and *things* in earth, and *things* under the earth;

(11) And *that* every tongue should confess that Jesus Christ *is* Lord, to the glory of God the Father.
